## Our Tea Selection

Blended by Devi Tea

### *Black Teas*

*English Breakfast* Organically grown Assam black tea and Chinese gold monkey tea. Addition of milk and/or sugar is recommended.

*Earl Grey* Blend of black teas flavored with the essential oil of Bergamot, a pear shaped Mediterranean citrus fruit. This tea was introduced in England in the mid 1800's by Earl Charles Grey.

*Oriental Spice* This blend of broken-leaf teas creates a superb backdrop to highlight the warm and spicy qualities of the orange peel, vanilla, ginger and cinnamon. Milk and sugar may be added if desired.

*Ceylon Decaf* Decaffeinated medium-bodied brisk Black Tea. Harvested from the island of Ceylon in the spring and early summer.

### *Green Teas*

*100 Year Anniversary Tea* Enjoyed since the early 1900's this Sencha tea is the perfect choice to honor our 100 Year Anniversary at the Palace Hotel. Blended with organically grown safflower blossoms Sencha is vibrant in color and has a sweet fresh aroma with a full fruit finish.

*Garden Court Roses* A blend of Chinese green tea and Guatemalan red rose petals. The taste is fresh and slightly herbaceous with a hint of flowery pepper.

*Jasmine Pearl* Naturally scented Chinese green tea with a smooth and well-rounded, delicate jasmine flavor.

*Moroccan Mint* Blend of organically grown Chinese green tea and peppermint sweetened with honey.

### *Tisane and Herbal Teas*

*Red Vanilla - Rooibos* Caffeine free. Excellent choice for children.

*Chamomile* Organically grown and caffeine free. Traditionally, it has been a popular herbal remedy. The taste is mellow and light with a hint of apple.

*Royal Velvet Lavender Rooibos* The aroma is predominantly lavender with a note of citrus. Caffeine free.
